Policy – Environmental CSP02

Environmental Policy Statement

Code Serve Ltd considers successful Environmental Management to be of prime importance to its business and is committed to continual improvement in Environmental standards.

It is the policy of Code Serve Ltd to:

- Pursue high standards of Environmental Management as an integral part of efficient management of the business and ensure that decisions take account of environmental requirements while complying with Client and contractual agreements.
- Comply with all legislative requirements pertaining the environment as the minimum standard;
- Develop systems and procedures that deliver the high standards of integration sought, in particular provide for:
 - Analysis and control of all Aspects of our business that Impact on the surrounding environment;
 - Well maintained plant and systems of work that are safe and without risk to the environment;
 - Suitable arrangements for the selection, use, handling, storage and transport of articles and substances;
 - Adequate information, instruction, training and supervision to enable work to be carried out safely, and without risk to the environment, by persons with the necessary competence;
 - Designs which recognise, include and apply safe practice and which consider environmental impact, during preparation, construction and subsequent operational use and maintenance after completion of the project;
 - Prevention of polluting emissions to air, land or water;
 - Energy awareness to reduce environmental impact;
 - Management of the use of natural resources;
 - Control of noise, dust, odour, vibration, traffic movement or other nuisance or environmental effects which may cause offence to the local community or environment;
 - Waste minimisation and a commitment to restrict waste to landfill.
 - Management of waste disposal including re-use and recycling where appropriate;
- Develop and review clear environmental performance indicators, which drive continuous improvement including:
 - Promoting high environmental standards and the use of environmental best practice;
 - Annual environmental objectives;
 - Training achievement and requirements;
 - Customer satisfaction.
 - Internal and external audits.
- Review and, if necessary, revise this policy on an annual basis.

The Code Serve Ltd Director has the overall responsibility for this policy. Code Serve Ltd has appointed a facilitator to be responsible and accountable for environmental matters whose responsibilities are set out in this Policy.

Code Serve Ltd will produce and update detailed organisational arrangements, and all necessary resources will be made available, for the implementation of this policy.

It is the responsibility of management and employees to implement this policy together with their collective and individual responsibilities. Individuals' responsibilities under this policy are set out in Job Descriptions and project documents.

Code Serve Ltd will appoint competent health, safety, quality and environmental managers/Facilitators whose duties are set out in company documents.

This policy is communicated to staff and sub-contractors and other interested parties. The policy is on display in the company's main reception, workshop notice board, Construction line and the company website. This policy is reviewed annually.

Code Serve Ltd will supply a copy of the policy on request.
